## Twirling Team Nationals Round-Up

A jam packed two days in Bournemouth, highlighting amazing teamwork, camaraderie, and of course incredible twirling. We saw our first ever champions of Team Fusion and Team Medley an event enjoyed by all who took part and we hope to have even more entries next year. We also had two fun filled lunch time spin eliminations with Caleb and Lydia taking the crowns. Presentation took on a more glamorous look with the Red Carpet and spotlights.

## Majorette Nationals Round-Up

It was a busy and fun filled few days with Friday kicking off the fun with the awards ceremony, everyone came dressed to impress. There were then two competition filled days and of course the adult fun routines. They put on a wonderful show and impressed up and coming judges who definitely did not hold back on their comments.

## Team SPOTLIGHT

# MARQUETTES

In January 1999 Charlotte & Caroline (now the coach and club leader) persuaded Charlotte's parents to start the club in their town, Downham Market. The original team they were members of were recreational twirlers, but these girls had a thirst for competition and wanted to win trophies. Over the years they have enjoyed many a twirling success and other recognition. West Norfolk council have awarded the team for their inclusive approach to sport, and Charlotte has received recognition by West Norfolk council for sport coach of the year. The team has had the privilege of performing in the New Years Day parade in London and have been featured on ITV news. Most recently their senior athlete Scarlett won the West Norfolk Sports Person of the Year in 2020, and they have also received nomination for West Norfolk sports club of the year 2025 – lets keep our fingers crossed for this incredible team.

## URBAN ALLSTARS

This quarter we shine a light on The Urban Allstars. Based in Ipswich the Urban Allstars were formed in 1996 by Nikki Howard. Like many teams back then the focus was on carnivals, and summer displays as well as competition. Today the troupe focuses solely on competing at UTE events. With a strong emphasis on friendship, support and enjoying the sport we all love.
